Training Officers Guide

25X1A9a

The attached Training Officers Guide was evidently prepared by [REDACTED] who formerly worked for the Operations School. On a quick look, it appears that it would be better to start over than use the material presented; however, that is just one man's opinion. I would appreciate your Staff's review of the guide and suggestions for revision. It may be desirable to consider the preparation of a Training Officers Guide as a project, which would be worthwhile. Any thoughts that you have on the matter, I am sure, will be appreciated by DDTR.
